**Acoustic Core:**

- 6-7 lb. Fiberglass

**Edge Type:**

- Fabric wrapped, resin hardened

**Thickness Options:**

- 1 inch
- 2 inch

**Size Options:**

- Up to 4 ft. x 10 ft.
- Large format available with Aluminum Frame

**Fabric Options:**

Udderly Quiet® Acoustic Panels are available in fabric and perforated vinyl coverings. An endless variety of colors, textures and patterns can be used to create a highly customized, unique space. Fabrics are typically used to improve or maintain the aesthetics of a space. If you have a fabric already picked out, we will mount it on our acoustic panels. Perforated vinyl is generally used for applications that require easy clean-up. To members of the specifying community that wish to receive a listing of all available covering materials, please contact our Acoustic Consultants.

Illustrated below are a few of our most popular fabric collections. All of the fabric options listed are made with 100% recycled polyester fibers and may be cleaned with mild, water-based cleaning agents.

- **FR701** - Classic woven style in subtle texture offers timeless appeal. Understated earth tones provide a perfect background for bolder accents.
- **Anchorage** - A classic crepe style is brought to life with today's updated colors. Soft texture and a wide variety of rich, bold hues makes this collection perfect as a foundation or accent.

**Mounting Options:**

- **Adhesive** - Adhesive mounting is ideally suited for permanent applications requiring speed and ease of installation.
- **Z-clip** - Z clip mounting is ideal for applications where frequent panel removal & re-hanging is required.
- **Hook and Loop** - Hook and loop mounting is suggested for temporary applications where panels may be removed and relocated for future use.
